; Director: Rohit Shetty ; Distributor: United News of India, Yash Raj Films ; UK Release: 2014-09-27. Plot It's the first day of the Commonwealth Games in Delhi. The chief minister, Vijay Varma, is all dressed up in a sari, and greets everyone with a welcome address. Then he leaves to pick up his granddaughter for the opening ceremony. When the chief minister's wife, an artist called Anjali, comes out, she spots a well-dressed man who looks like a businessman. She knows this man, and he looks familiar, but she cannot quite place him. Next, a girl named Prashant emerges from the street, and sees a man walking down the road wearing a uniform. A look of recognition passes between the two, and the man approaches the girl and introduces himself.

He is Swaraj Chaddha, a member of the Indian Army, who is currently waiting to be released from hospital. When Swaraj comes out of the house, he and Anjali have a chat about how he's been spending his time in the hospital. After a quick introduction, Anjali takes him for a drive. They talk about their past, and their life in Delhi, and it is a life filled with hope. The next day, the main event takes place. The ceremonies are just getting underway, when there's an emergency. Vijay Varma is told that a heavily pregnant woman has just gone into labour, and he needs to urgently take her to the hospital. A quick drive will take him there, but his car doesn't start. Swaraj starts the car, and is just about to leave when the chief minister's wife Anjali calls him back. She's sure he's the one person who can help her. Swaraj explains that his commanding officer has asked him to take the vehicle to the airport, to pick up a woman who is flying back to India. Anjali is left speechless, and she invites Swaraj to meet her at the airport, to talk some more. When Swaraj arrives at the airport, Anjali is there with the baby, and he hands over the keys of the car. He explains that the commanding officer has also given him an identity card for himself, and it says
